

PROFESSIONAL SUMMARY

Highly skilled **Web designer & WordPress Developer** with **6+ years of experience** in designing, developing, and maintaining SEO-friendly, dynamic, and high-performance WordPress websites. Proficient in custom theme development, responsive design, and website optimization. Adept at enhancing user experience and engagement using HTML5, CSS5, Bootstrap, jQuery, JavaScript. Expertise in WordPress tools such as WooCommerce, Elementor, and WP-Bakery, along with a strong understanding of cross-browser compatibility and mobile-first design.

In addition to my core WordPress expertise, I have spent the last 6 months working with React.js, building component-based interfaces and improving frontend interactivity using React.js, Tailwind CSS, and JavaScript ES6+.
